

# Art Rental and Sales

For over fifty years, the Art Rental and Sales Gallery has been a bridge linking contemporary Canadian artists and the public through innovative service. By providing an economical way to bring original artwork in homes and/or workplaces, Art Rental and Sales increases public awareness and support for both the Art Gallery of Alberta and practicing artists in the community.

The Art Rental and Sales inventory includes over 1,300 works in all media and sizes and ranging in subject matter from traditional landscapes to contemporary abstraction. The inventory is updated regularly with new works.

Rental fees for artworks are set at approximately 2% of the purchase price to be paid per 28-day period. These fees range from \$10 to \$160 with an average cost of \$40 per artwork per period. There is no limit on the number of works that can be rented at one time and contracts may last up to twelve periods for both corporate and general clients at which point the artwork should be either returned or purchased. All works are available for purchase.

Art Rental and Sales also offers museum quality framing service using archival materials for all works on paper and some canvases. Art Gallery of Alberta Members are entitled to a 20% discount on framing orders.

Art Rental and Sales is located on the lower level of the Art Gallery of Alberta.
