Art Gallery of Alberta and Compass Group Canada announce new restaurant

EDMONTON, AB – The Art Gallery of Alberta (AGA), in partnership with **Compass Group Canada**, is happy to announce the opening of **ZINC**, a resto lounge located in the AGA. ZINC will begin full lunch and dinner service on **Tuesday, February 2, 2010** (see hours of operations below). The 75+ seat full-service restaurant will be available for viewing and light lunch during the AGA's opening celebration on **Sunday, January 31** and **Monday, February 1, 2010**.

ZINC, named for the (zinc) cladding that covers much of the new Gallery building, will be a relaxed, fine dining resto lounge, focusing on fresh Alberta ingredients fused with local artisan food products. Menus will change seasonally and will include dishes inspired by featured art exhibitions, as well as new weekly entrées.

"People will be able to enjoy a contemporary dinner or cocktails at the bar, in a modern, urban atmosphere," said **Jeff Bell, Vice President, Leisure & Entertainment, Compass Group Canada**, AGA partners in this venture. "We've got an exciting location, funky décor and a great chef!"

ZINC's culinary team is led by **Executive Chef Dave Omar**, who brings more than 20 years experience and a creative approach for bringing 'Simple Elegance' to the table. Working with Alberta farmers and local artisan food producers, Chef Omar will provide ZINC guests with intense, fresh and unique flavours.

"Together with my team, we will bring the newest food trends to the Edmonton region," said Chef Omar. "We recognize emerging trends and will offer our twist on them – not by following -- but rather by leading the industry on the latest in culinary ideas."

Intimate dinners and group celebrations will be enjoyed in an interior designed by award winning, Toronto-based, **II BY IV Design Associates**. The space integrates modern dining amenities within AGA architect Randall Stout's aesthetic. The shapes, colours and textures of the area are inspired by the periodic table of elements. Highlights of the space include a 4 metre (14-ft) tall feature wall of end-cut Douglas fir, three expansive walls of 12 metre (40 ft) high windows, and a cobalt blue, back-lit glass bar.

Compass Group, an industry leader in food service and hospitality, has specialized in the cultural sector for more than 30 years. Compass Group also manages **Petrie Court Café & Wine Bar**, at New York City's **Metropolitan Museum of Art** and **C5 Restaurant Lounge**, at the Royal Ontario Museum in downtown Toronto.

In addition to the full service restaurant, the AGA will also offer two kiosk espresso bars. **The Terrace Café** will be located on the Gallery's third floor, overlooking the outdoor City of Edmonton sculpture terrace, The AGA's lower level will house **LL1 Espresso Bar**. This kiosk will be accessible directly from the LRT pedway system and will open early to accommodate morning commuters. Both Espresso Bars will feature gourmet coffee and espresso beverages, wine by the glass, sandwiches, biscotti, pastries and snacks.

ZINC's culinary team will also run the AGA's on-site catering. ZINC Catering will provide a restaurant-style catering experience for the events in the new facility, with the availability of menus featuring exhibition-inspired cuisine.

ABOUT THE ART GALLERY OF ALBERTA

The Art Gallery of Alberta is creating a new gallery—a “New Vision” for Alberta’s capital. After a global architectural competition, Los Angeles based Randall Stout Architects, Inc. was selected to design the new gallery. With opening exhibitions in early 2010, the new AGA will be an 85,000 square foot premier presentation venue for international and Canadian art, education and scholarship. The new AGA will be a centre of excellence for the visual arts in Western Canada in the 21st century, expressing the creative spirit of Alberta and connecting people, art and ideas.

Founded in 1924, the Art Gallery of Alberta (AGA) is the oldest cultural institution in Alberta and the only museum in the province strictly devoted to the exhibition and preservation of art and visual culture. Serving both the city of Edmonton and the province of Alberta, the Gallery maintains a collection of nearly 6,000 objects. The AGA is focused on the development and presentation of original exhibitions of contemporary and historical art; on building national and international curatorial partnerships for the creation of new exhibition projects; and on the development and delivery of a program of touring exhibitions that disseminate contemporary and historical art within Alberta and across Canada.

The AGA is a not-for-profit organization that relies on the generous support of its Members, donors, sponsors and government. The Art Gallery of Alberta is grateful for the generous support of the many public and private donors and sponsors who have made the AGA's New Vision possible, as well as the ongoing support of the City of Edmonton, the Alberta Foundation for the Arts, The Canada Council for the Arts and our Members.
