

Tour Schedule: February 2012

Tours are free with Gallery Admission

This month of programming at the AGA includes full length and spotlight tours of new and concluding exhibitions. Check out the connecting tours between *REARVIEW MIRROR: New Art from Central & Eastern Europe* and *Icons of Modernism*, and don't miss spotlight tours featuring some of history's greats: Courbet, Renoir and Monet and more.

Tour Types

Exhibition Tours are 45 minute long tours that provide an overview of an entire exhibition. These are offered on weekends.

Spotlight Tours are 25 minute long tours that provide an in-depth discussion of a single theme. These are offered Thursdays through Sundays.

Connecting Tours are 45 minute long tours that highlight the connections between two exhibitions. These tours are dependent upon the current exhibitions and are offered intermittently. These are offered on weekends.

Tours for Tots includes Gallery explorations, art-making, story-telling, and more! Each Art Adventure has a different theme related to current exhibitions and promotes early childhood learning skills such as literacy, numeracy, community awareness and creative expression
