

# ART IS FOR EVERYONE

## Join the Mission: **10,000 AGA Members**

**Join the Fun! September 21, 1-4pm**

Help us build a community of 10,000 art supporters to keep your  
AGA a vibrant cultural hub for decades to come.

We're Waga (Women for the Art Gallery of Alberta) – a group of passionate Edmonton women who believe art truly is for everyone. We're mothers, professionals, artists and art lovers who know the AGA isn't just a building downtown – it's the heart of visual arts in Alberta and a vital part of what makes Edmonton a great place to live and visit.

**Our mission:** Grow AGA's membership and make art accessible to everyone. Join us. You belong here.
